

Let us help you prepare for the future – Risk Pools and beyond.

As healthcare continues to evolve, Benefit Management is here to help you navigate the changes and challenges. With more than 20 years experience in managing Risk Pools, let our expertise work for you.

Benefits and features of our program include:

- A transparent approach and comprehensive branding with the pools' logo
- A dedicated Account Manager and team of professionals
- Customer Service team that specializes in the complexities of Risk Pool enrollees

Our track record:

- 20 years experience
- Administered five of 27 state-run Federal Pre-Existing Condition Insurance Pools
- 1st to market with the NHHP Federal Pool
- Nation's Leader in administering Risk Pools

Let Benefit Management help you navigate the changes and challenges of healthcare
by taking care of your needs.
